

# Chained

Noiseworks

Riding in the backseat with the devil  
I'm chained, I'm chained  
Riding down the dark street with the devil  
I'm chained, I'm chained

Everybody's got something to live for  
That's alright, that's alright  
But is there one thing in this world  
That you would die for right now, right now

If you believe in the things that make you afraid  
You'll be running in circles  
You'll be running away  
If you believe in the things that matter today  
To have a tomorrow  
Gotta break through the chains  
Oh-oh, oh-oh, I'm chained, I'm chained  
Oh-oh, oh-oh, I'm chained, yeah!

Everybody wants a revelation  
That's alright, it's alright  
An with a world that's crying out for you attention  
Right now, right now

If you believe in the things that matter today  
(If you believe it)  
To have a tomorrow  
You gotta break through the chains  
(If you believe it)  
If you believe in the things that make you afraid  
(If you believe it)  
You'll be running in circles  
You'll be running away  
(If you believe it)  
Oh-oh, oh-oh, I'm chained, I'm chained  
Oh-oh, oh-oh, I'm chained, I'm chained  
Oh-oh, oh-oh, I'm chained, I'm chained  
Oh-oh, oh-oh, I'm chained

Come on!

(If you believe it)  
(If you believe it)  
(If you believe it)  
(If you believe it)

You wanna be bad, you wanna be good  
(If you believe it)  
Wanna be there for the good times  
But one of these days we're gonna be heard  
(If you believe it)  
Gonna be standing on the good line  
You wanna be bad, you wanna be good  
(If you believe it)  
Wanna be had, you wanna be heard  
You wanna be bad, you wanna be good  
(If you believe it)

Wanna be there for the good times

For the good times, for the good times  
For the good times, for the good times  
For the good times, for the good times  
For the good times, for the good times!
