

Day Will Come

Noiseworks

Come together, come together

There you stand all alone you cry
The tears on your face just like a river run dry
The fire and flames of everything you've seen
Well, the day will come when your nightmare ends

It will come, it will come
Your day will come, day will come
It will come, it will come
Your day will come, day will come
Whoa-oa, whoa-oa, whoa-oa, yeah
Come together, yeah

If I could change everything you've seen
If I could be everything you need
Well, I'd take you away in a sea of love
So wipe your tears for your day will come

It will come, it will come
Your day will come, day will come
It will come, it will come
The day will come, day will come
Ooh-oooh,... yeah
Oh, Lord

(Ooh-oooh-oooh-oooh...)
(Don't let another day go by, day go by)
All ya gotta do is realize, yeah
(Don't let another day go by, day go by)
Don't sit and watch the world
Don't sit and watch the world go by
(Oh, no)
Ooh, yeah
(Don't let another day go by, day go by)
Raise your hands up to the sky
Raise your hands y'all
(Don't let another day go by, day go by)
Sing! Oh, baby

(Don't let another day go by, day go by)
All ya gotta do is realize, yeah
(Don't let another day go by, day go by)
(Don't let another day go by, day go by)
Don't sit and watch the world
Don't sit and watch the world go by
(Oh, no)
Ooh, yeah
(Don't let another day go by, day go by)
Raise your hands up to the sky
Raise your hands y'all
(Don't let another day go by, day go by)
Sing! Oh, baby

Live another day
Never let another day go by, go by
