

Edge of Darkness

Noiseworks

Yeah!

Long nights, red lights
The sign of your day
Well, I see you walk the parade
On the edge of the darkness
Been a long time since I
I saw you there
Well, you might just tempt me away
To the edge of the darkness

Long nights, red lights
Again and again
Always someone wanting their way
Trying to break your resistance

I see you
I see you
I see you, mmm...
I see you
I see you
(I see you)
I see you, yeah
I see you
(I see you)
I see you

Ooh, ooh...
Too late for promises
It's too late to hide
It's too late for promises
It's too late to hide

I see you
(I see you)
I see you
(Yeah, I see you)
I see you
(See you)
I see you
(Yeah, you, ooh...)
I see you
I see you
I see you
(See you anytime)
I see you
(See you anytime, yeah)

I see you
(You, you)
I see you
I see you
