

Hot Chilli Woman

Noiseworks

Whoa
Yeah yeah yeah
Wooo

Hot chili woman
Makes me weak at the knees
Yeah yeah yeah yeah

She make me sweat
Like it's a hundred degrees
Yeah yeah yeah yeah

Hot chili woman
Got what it takes
Yeah yeah yeah yeah

I'm so hungry
I want you on my plate
Yeah yeah yeah yeah

I pick you up
We go cook in the night
I lay you down and put
Cream on your pie
Your mmmma won't like it
Daddy won't like it
Hot chilli woman
Keep it hot for me

Hot chilli woman
Won't you burn for me
Hot chilli woman
Be be be burn for me
Hot chilli woman
Well I'm in ecstasy
Hey hey hey
Hot chilli woman
Oh

Hot chilli woman
Make me feel so high
Yeah yeah yeah yeah

That kind of woman
Brings a tear to my eye
Yeah yeah yeah yeah

Now I know
Where I want to be
Hot chilli woman
I'm in ecstasy
Your mumma won't like it
Daddy won't like it
Hot chilli woman

Hot chilli woman
Won't you burn for me

Hot chilli woman
Be be be burn for me
Hot chilli woman
Cause I'm in ecstasy
Yeah yeah yeah yeah yeah yeah yeah
Hot chilli woman

Woo ooh hoo
She'll take you higher
She burns like fire
She's alright tonight

Hot chilli woman
Won't you burn for me
Hot chilli woman
Be be be burn for me
Hot chilli woman
Cause I'm in ecstasy
Hot chilli woman
Cause I'm in ecstasy
