

Letter

Noiseworks

I see you, you're silent
I call but you won't see me
I thought I could talk to you
You're gone now, it's over
Tell Mummy that I won't be there
You won't see me, I keep wondering why

One thing from another
One lover to another, ah, yeah
I can't hide from the other
One letter to a lover

I'll keep wanting, hanging on
To all we used to share
I'm lost inside, I cannot hide
It keeps me wondering why
Why, why, why

I see you, you're coming
To tell me that you don't need me
You follow what's right for you
All the times that you called me
To say that you never need it
And all I see is everything is you

One thing from another
One lover to another, yeah
I can't hide from the other
One letter to a lover, hey

I'll keep wanting, hanging on
To all we used to share
I'm lost inside, I cannot hide
It keeps me wondering why
And though, babe, you keep me running
Hanging on inside
I will see you, I know
I will never, I'll never let you go
Oh...

One thing from another
One letter to a lover

C'mon!
Do it!
