

Liberty Bell

Noiseworks

We need love, say I
The only thing we need till the day we die
So can you hear the bell
'Cause it's saying the things that need to be said
Good God, help us all
'Cause everybody's feeling it all 'round the world
And we only wanna live
So if you open your mind, you'll hear it ringing

The Bell
(Liberty Bell)
I hear the Liberty Bell
(Liberty Bell)
If you open your mind, whoo!
(Liberty Bell)
You'll hear it ringing

Need no messing around
We gotta break outta here before the sun goes down
But one thing I wanna say
Speak your mind, don't live the life of a sheltered man
With love in our hands
Then all the millions of people will understand
It's the one thing in our lives
So if you open your mind, you'll hear it ringing

The Bell
(Liberty Bell)
I hear the Liberty Bell, yeah
(Liberty Bell)
If you open your mind
(Liberty Bell)
You'll hear it ringing

Oh, yeah, the Bell
(Liberty Bell)
I hear the Liberty Bell
(Liberty Bell)
Gotta open your mind
(Liberty Bell)
You'll hear it ringing
(Liberty Bell)
Hear it ringing

I heard
(Ooh-whoa-whoa-whoa)
I heard
(Hey...)

Can you feel it, do you want it
We all need it, so believe it
Can you hear it, can you feel it
Do you want it, oh, yeah
(Oh, oh, oh, oh!)

The Bell
(Liberty Bell)

I hear the Liberty Bell, yeah
(Liberty Bell)
You gotta open your mind
(Liberty Bell)
Open your mind

Ah, yeah, ah, yeah
Ah, yeah, ah, yeah

The Liberty Bell
(Liberty Bell)
You'll hear it ringing
You'll hear it ringing

I heard
(Ooh-whoa-whoa-whoa)
I heard
(Liberty Bell)
Whoo!

I heard, yes, I heard
I heard it, I heard it
