Little Bit More

Noiseworks

It's been a long night, you can't decide
I'm waiting, watching for a sign
I see you with your back
Against the wall, against the wall
I see ya, darling, a lovely thing
So don'tcha hold back anything
Every time you stare at me again, again

Just a little bit more, ya tell me now
Take you there, I'll take you there
Just a little bit more, ya tell me now
Take you there, I'll take you there

I see you, darling
I see you in the darkness
Walking down the alleyway
So slick in your summer dress, oh, babe
Oh, decide where to go, we'll work it out
We know, we know, we know, we know
Gotta satisfy, gotta satisfy you, girl
Before the night is gone

Just a little bit more, ya tell me now
Take you there, I'll take you there
Just a little bit more, ya tell me now
Take you there, I'll take you there
Just a little bit more, ya tell me now
Take you there, anything ya wanna do
Just a little bit more
Just a little bit more, go!

Hey, I say to you

Just a little bit more, ya tell me now
Take you there, I'll take you there
Just a little bit more, ya tell me now
Take you there, I'll take you there
Just a little bit more, ya tell me now
Take you there, anything ya wanna do
Just a little bit more
Just a little bit more

Oh-oh-oh, oh-oh...
Oh-oh-oh, oh-oh...
Oh-oh-oh, oh-oh...
