

I've been lost  
Trying to find my way  
I didn't know myself  
I'd become someone else  
I been high, I been drunk  
I went underground  
I couldn't see the light  
No matter how I tried

'Coz when you're down so low  
You can rise above  
With the power of love  
Of love

When you came into my life  
That changed everything  
Now all the promises we made  
Will never have to break  
We've all been there before  
But that was yesterday  
I made enough mistakes  
Must have been insane

'Coz when you're down so low  
You can rise above  
With the power of love

Let it go, let it come out  
C'mon don't live in doubt  
C'mon let it all out, yeah yeah

When you're down so low  
You can rise above  
With the power of love  
Your love

Like a phoenix rising  
I won't give up  
And I won't give in  
The love you've given me  
Time and again you lift me up  
And we rise above with love  
Your love
