

Ocean Girl

Noiseworks

You're like the ocean
Precious as the wind and the sun
Hearts open wide
Floating on this feeling inside
I just wanna sail
I just wanna sail away

Just imagine, if you could
Have all that you want
But just be mindful
'Coz life is just a blink
Then we're gone
Gone

I just wanna sail
The love within you
Navigate my way
To be there with you

You're like the ocean
Deepest of emotions
You're like the ocean
Deepest of emotions
I just wanna sail
With you all the way

You're like the ocean
Deepest of emotions
You're like the ocean
Deepest of emotions
I just wanna sail
I just wanna sail away
With you
With you
