Ah-hah-ahh...

Losing the battle alone you cried
You let it end with no shame
Anger inside, I watched you fade away
Now you're gone away
In silence evermore
Something we all will lear-earn
Peace it will be

In this world
When your time has come
You face all your fears
You stand alone

There's a place in my heart
I will never forget you
Unassuming in your ways, you inspired
But you gave it everything you had
So brave, so strong
Oh, yeah, you fought it
You just wouldn't let it bring you down
So my friend I say goodbye now
And until we meet again
Rest in peace, rest in peace

In this world
When your time has come
You face all your fears
You stand alone

I believe
(I believe, I believe in)
In the kingdom of love
(In the kingdom of love, of love)

Oh Millie, I say goodbye to you, my friend
Millie, uh-uh-uh, yeah, until we meet again
Rest in peace, rest in peace, rest in peace...

In this world
When your time has come
You face all your fears
You stand alone
(Oh, no, no, no, no, no, no)

I believe
(I believe, yes, I do)
In the kingdom of love
(Kingdom of love, of love)

(Ahh-ahh-ahh-ahh)
Millie
(Ahh-ahh-ahh-ahh)
Goodbye
(Ahh-ahh-ahh-ahh)
Goodbye

Ah–ah–ah–ah, ah–ah–ah–ah, ah–ah–ah–ah
Ah–ah–ah–ah, ah–ah–ah–ah, ah–ah–ah–ah...
