

Simple Man

Noiseworks

I don't want much but I say what I mean
And I need your touch
I'm just a simple man
But I know what it takes
Yes, I know who I am
You took my hand
And I followed you to this far away land
And I'll stand by you if you stand by me
Then we both will be

Living in the shelter out of the rain
I'll wipe all your worries, I'll wipe them away
Living in the city so dirty and grey
I'll give you the shelter, I'll take you away

I don't want much, I'm a simple man
And I need your touch
And I, I can't forget
I just close my eyes and I see you there
If you take my hand
I will take you to this foreign land
'Cause I, I want to hold you close
'Cause I need you by me, I won't let you go

Living in the shelter out of the rain
I'll wipe all your worries, I'll wipe them away
Living in the city so dirty and grey
I'll give you the cover of a simple man

Living in the shelter out of the rain
I'll wipe all your worries, I'll wipe them away
Living in the city so dirty and grey
I'll give you the cover of a simple man

Oh, yeah, whoo!

Living in the shelter out of the rain
I'll wipe all your worries, I'll wipe them away
Living in the city so dirty and grey
I'll give you the cover of a simple man

Living in the shelter out of the rain
I'll wipe all your worries, I'll wipe them away
Living in the city so dirty and grey
I'll give you the cover of a simple man

I'm a simple man
