

I've been awake for a while now
You've got me feeling like a child now
'Cause every time I see your bubbly face
I get the tingles in a silly place

It starts in my toes, and I crinkle my nose
Wherever it goes, I always know
That you make me smile, please stay for a while now
Just take your time, wherever you go

The rain is falling on my windowpane
But we are hiding in a safer place
Under covers, staying dry and warm
You give me feelings that I adore

They start in my toes, and I crinkle my nose
Wherever it goes, I always know
That you make me smile, please stay for a while now
Just take your time, wherever you go

And what am I gonna say
When you make me feel this way?
I just... mmm

It starts in my toes, and I crinkle my nose
Wherever it goes, I always know
That you make me smile, please stay for a while now
Just take your time, wherever you go

I've been asleep for a while now
You tuck me in just like a child now
'Cause every time you hold me in your arms
I'm comfortable enough to feel your warmth

It starts in my toes, and I lose all control
When you kiss my nose, the feeling shows
That you make me smile, please stay for a while now
Just take your time, wherever you go
