

Holding On

Nolan Taylor

I'm always holding on
To this life
To this love
To the way that I feel

For better or worse
I swear to god

That I want to feel
That feeling I get
When I hold you in my arms

I'm sorry love
You deserve a better man

You're always bleeding your blood
From cuts that I cut
You're tired from things that I say
You're always holding on
Whether or not things have changed

And I'm always holding on
To your touch
To your look
I wanna know

For better or worse how do you feel
If I need to change
Then this needs to change
I need you

You're always bleeding your blood
From cuts that I cut
You're tired from things that I say
You're always holding on
Whether or not things have changed

Cause you make me feel
You make me feel
Oh, I wanna hold ya
In my arms

You're always bleeding your blood
From cuts that I cut
You're tired from things that I say
You're always holding on
Whether or not things have changed

You're always holding on
