

Can't Catch Me 2.0

NoMBe

Agh, uh
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, [?]

See me down the street
But you can't get close 'cause I'm much too fast
And I'm much too loud
And I'm so caught up
Now, is it me or my luck?
Can't get enough

Feed on alchemy and I'm running petrol through my blood
It's a magic touch
Now watch me go
And I feed off your love
Can't get enough

See me running my last breath on "e" (ah-ah)
Can't seem to cool it, all this precious heat (ah-ah)
Ooh, and I won't slow down (ah-ah)
Ooh, but I dare you to catch me, ah-ah

Ah-ah
Ah-ah (ooh, can't catch me, baby)
Ah-ah (ooh, can't catch me, baby)
Ah-ah

Breathe the gas she breathe
Only gets so high that you knock them down
We feel the love
Now watch me go
Is it me or my luck?
Can't get enough

See me running my last breath on "e" (ah-ah)
Can't seem to cool it, all this precious heat (ah-ah)
Ooh and I won't slow down (ah-ah)
Ooh, but I dare you to catch me, ah-ah

Ooh can't catch me, baby (ah-ah)
Ooh can't catch me, baby

She's an animal
Can't catch me, baby
She's an animal
Can't catch me now
She's an animal
Can't catch me, baby
She's an animal
Can't catch me now

Ah-ah
Ah-ah (ooh, can't catch me, baby)
Ah-ah (ooh, can't catch me, baby)
Ah-ah
