

## Eden 2.0

NoMBe

Love, is it too late to let you in?  
Trade all your love for sins  
I'm ready to repent  
Take, if all requests are genuine  
Take me back and hand me wings  
Just like a cherubim

And as you push me away  
Forget how I used to pray

Love, we're far from Eden  
But I like it, truth be told (truth be told)  
Babe, I'm such a heathen  
In just the right way  
There's room to grow (there's room to grow)

Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh

Would you mind if I spent a night all up on your love?  
Silk sheets and cherry wine  
Just the right amount of time  
We've been living so sublime  
You won't even see me till the sunrise  
Only let you close enough to feel high  
Only for a minute, boy  
You got a religion, boy  
You should follow me into the garden

Take a sip, take a hit  
Don't forget, remember this

Love, we're far from Eden, far from Eden  
But I like it, truth be told truth be told, truth be told  
Babe, I'm such a heathen I'm such a heathen  
In just the right way  
There's room to grow room to grow

Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh  
Oh-oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh, oh-oh

No, it's not enough (it's not, it's not enough)  
It's not enough (it's not enough)  
I'm a heathen, I'm a heathen, I'm a heathen [?]  
I've been needing, I've been needing, I've been needing [?]

Even if you call it another name

Love, we're far from Eden  
But I like it, truth be told  
And babe, I'm such a heathen  
In just the right way  
There's room to grow (there's room to grow)  
(In just the right way)
