

Water Into Wine

NoMBe

Thick waves are pounding
Steady when you make me cry
Oh lord feels like I'm drowning
Everytime I think of you and I

So baby won't you turn my water into wine
Baby won't you turn my water into wine
Say what you will what you want
Don't say goodbye, don't say good...

Bye... na, na, na, na, na, na, na
La, la, la, la, la, la, la

Breathing gets harder
As holy water fills my eyes
Knees deep in darkness
Struggling to see the light

But baby won't you turn my water into wine
Baby won't you turn my water into wine
Say what you will what you want
Don't say goodbye, don't say good...

Bye... na, na, na, na, na, na, na
La, la, la, la, la, la, la

Hands on deck, here it comes
Only God can save us now
Hands on deck, I can feel my legs shaking
The last man standing on the levee as it's breaking

Don't say goodbye... na, na, na, na, na, na, na
La, la, la, la, la, la, la

Na, na, na...
Na, na, na...
