

## I Get Up In The Morning

NoMeansNo

I get up in the morning  
Go to bed at night

I turned it off, I shut it down  
I closed shop I'm outta town  
I'm by the wayside I'm up the drink  
Not in the bl black but ut I'm in the pink  
Oh what hat was that? Did you say something?  
must admit I really wasn't listening  
Oh what a jerk I feel so silly  
I must apologize I was busy getting

Up in the morning, go to bed of night

Well, I got my troubles, I got my problems-  
And someday maybe I'll even solve 'em but  
I don't worry, I'm in the groove  
My brain thinks and my bowels move

In the morning, go to bed of night

First I get up  
Then I get down

Well I don't drive, I take the bus I must  
Say I feel like a part of the rest of us  
Bot I don't trust no one no more  
Oh I'm not bitter, I'm not sore  
I know you're worried, you're all distressd  
You feel the tension then get depressed  
But I don't squibble and I don't cry  
'Cause, I don't care and I'll tell you why

I get up in the morning, go to bed at night
