

Yeah you know it

Your heart belongs to me, baby
So it's you and I 'til eternity, uzungang'shiyi
I hope you remember all the promises you made to me, you made to me
'Cause mina ngiyak'thanda
I hope you remember that you said you'll never leave me
You'll always be by my side, through thick and thin

When I see your face my heart makes a weird move
Ngiz'thola sengijikeleza, ngik'thanda impela (Ngik'thanda impela)
When I hear your name my heart makes a weird move
Ngiz'thola sengijikeleza, ngik'thanda impela (Ngik'thanda impela)
