

# Dont Fall Apart

Nomy

Breathe in, breathe out  
Don't fall apart  
Can't live without  
Your beating heart  
Breathe in, breathe out  
Don't fall apart  
We live to end  
All that we start

When all we have  
When all that matters  
Is what you give  
That's what you'll lose  
We're built to break  
Break all that matters  
To make us feel more alive

Where am I gonna go from here?  
Looking at the world I see  
All I ever felt was fear  
And all I had was you and me  
Where am I gonna go from here?

Breathe in, breathe out  
Don't fall apart  
Can't live without  
Your beating heart  
Breathe in, breathe out  
Don't fall apart  
We live to end  
All that we start

I made a promise to God  
I made a promise to God  
To reduce all my pain  
Until I can't feel my heart

When all we have  
Ourself to care of  
There's nothing left  
Nothing to lose

Where am I gonna go from here?  
Looking at the world I see  
All I ever felt was fear  
And all I had was you and me  
Where am I gonna go from here?

Breathe in, breathe out  
Don't fall apart  
Can't live without  
Your beating heart  
Breathe in, breathe out  
Don't fall apart  
We live to end  
All that we start

When all we have  
When all that matters  
Is what you give  
That's what you'll lose  
We're built to break  
Break all that matters

Where am I gonna go from here?  
Looking at the world I see  
All I ever felt was fear  
And all I had was you and me  
Where am I gonna go from here?

Breathe in, breathe out  
Don't fall apart  
Can't live without  
Your beating heart  
Breathe in, breathe out  
Don't fall apart  
We live to end  
All that we start
