

Drive

Nomy

You're thinkin' about our younger years
There were only you and me
We were young and wild and free
Now nothin' can take you away from me
We've been down that road before
But that's over now
You keep comin' back for more

Baby, you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
And love is all that I need
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven

She's coming in twelve-thirty flight
Her moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies

He turned to me as if to say
"Hurry, boy, I'm waiting there for you"

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had

Tommy used to work on the docks
Union's been on strike
He's down on his luck
It's tough, so tough, so tough

Gina works the diner all day
Working for her man
She brings home her pay
For love, for love, for love

Talking away
I don't know what I'm to say
I'll say it anyway
Today is another day to find you
Shying away
I'll be coming for your love, okay?

Take on me (take on me)
Take me on (take on me)
I'll be gone
In a day or two

Left alone with just a memory
Life seems dead and so unreal
All that's left is loneliness
There's nothing left to feel

You don't have to say you love me
Just be close at hand
You don't have to stay forever
I will understand
Believe me, believe me
I can't help but love you
But believe me, I'll never tie you down
