

Freakshow Part 2

Nomy

Incredible creations
of our human race
Take with you a friend or foe
Welcome to my freakshow

One, two, three
What you realy wanna see
Is people in parades killing
What they wanna be

One, two, three
Do you realy wanna join me
Down to the freakshow?
Down to the freakshow

INSANE

They call it insane
What's realy inside of me?
Humanity in agony

They screem as soon as I'm alone
They screem of what I have become

I'm alone when I'm awake
But I close my eyes to make
Myself breath another night

Welcome to my daily show
Pick a freak and they will let you know
Who I am

Welcome to this missary
You can stay If you would like to be
A part of my own freakshow

I can see that I am all alone
If can't leave my memories behind me

Lost in my madness of you
Shattred by my jelausy
This is my life now,
Stuck to by someone I'm not

One, two, three
What you realy wanna see
Is people in parades killing
What they wanna be

One, two, three
Do you realy wanna join me
Down to the freakshow?
Down to the freakshow, yeah

I'm alone when I'm awake
But I close my eyes to make
Myself breath another night

All I know is my own past
And I know that nothing last
Was pain your only promises

Welcome to my daily show
Pick a freak and they will let you know
Who I am

Welcome to this missary
You can stay If you would like to be
A part of my own freakshow

Welcome to my daily show
Pick a freak and they will let you know
Who I am

Welcome to this missary
You can stay If you would like to be
A part of my own freakshow
