

Freakshow, Pt. 2

Nomy

Incredible creations
Of our human race
Take with you a friend or foe
Welcome to my freakshow

One, two, three
What you really wanna see
Is people liberates
Killing what they wanna be

One, two, three
Do you really wanna join me
Down to the freakshow
Down to the freakshow

Insane

They couldn't see what's inside of me
You manatee and I am me
They scream as soon as I'm alone
They scream of what I have become

Welcome to my daily show
Pick a freak and they will let you know

Welcome to this misery
You can stay if you would like to be
A part of my own freakshow

If I can't leave memories behind me
Lost in my madness of you
Shattered by my jealousy

This is my life now
Stuck to be someone I'm not

One, two, three
What you really wanna see
Is people liberates
Killing what the wanna be

One, two, three
Do you really wanna join me
Down to the freakshow
Down to the freakshow
Yeah

I'm alone when I'm awake
But I close my eyes to make
Myself breathe another night

Yeah

All I know is my own past
And I know that nothing lasts
It's been your only promises

Welcome to my daily show
Pick a freak and they will let you know
Who I am

Welcome to this misery
You can stay if you would like to be
A part of my own freakshow
