

Gone away

Nomy

Maybe in another life
I could find you there
Pulled away before your time
I can't deal it's so unfair

And it feels
And it feels like
Heaven's so far away
And it feels
Yeah it feels like
The world has grown cold
Now that you've gone away

Leaving flowers on your grave
Show that I still care
Black roses and Hail Marys
Can't bring back what's taken from me

I reach to the sky
And call out your name
And if I could trade
I would

And it feels
And it feels like
Heaven's so far away
And it stings
Yeah it stings now
The world is so cold
Now that you've gone away
Gone away
Gone away
(Yeah) yeah, (yeah) yeah, yeah yeah
Gone away
Gone away
Gone away

I'd save your soul
Yeah, yeah, yeah
The world is so cold
Now that you've gone away

I reach to the sky
And call out your name
So please, let me trade
And I would

And it feels
And it feels like
Heaven's so far away
And it feels
Yeah it feels like
The world has grown cold
Now that you've gone away
Gone away
Gone away yeah
Gone away yeah

The world is so cold
Now that you've gone away yeah
The world is so cold
Now that you've gone away
