

Hold me closer

Nomy

No need to apologize
Well, there's nothing to regret
Well, this is not what I wanted
Guess all the good things come to an end

So baby bye bye, I wish you the best
But most of all I wish that I could love you less
Well, maybe you're right, I'll find someone else
You say it isn't me, but when did that ever help?

Hold me closer
Although you'll leave before the sunrise
Might be bleeding
But don't you mind, I'll be fine
Oh, it kills me
I found the right one at the wrong time
But until the sunrise
Hold tight, hold tight

Maybe it happened too fast
I guess that I understand
You said you never felt this way for anyone
And that's what scares you to death

So baby bye bye, though it's for the best
Still I can't see how that would ease the pain in my chest

Hold me closer
Although you'll leave before the sunrise
I'll be bleeding
But don't you mind, I'll be fine
Oh, it kills me
I found the right one at the wrong time
But until the sunrise
Could you just hold me tight?
I know, I have to let go
But just give me the night
Yeah

'Cause tomorrow will hurt, hurt really bad
'Cause I'm about to lose the best I ever had

Hold me closer
Although you'll leave before the sunrise
I'll be bleeding
But don't you mind, I'll be fine
Oh, it kills me
I found the right one at the wrong time
But until the sunrise
Could you just hold me tight?
I know, I have to let go
But just give me the night
Yeah, can't you see that
You found the right one at the wrong time?
It was just the wrong time
Hold tight, hold tight
