

boomboom

Noname

Tu-tu, tu-tu, tu-tu
Ooh, ooh

Tell me, baby, what you see?
When you close your eyes, can you still feel me?
When I'm out the line, do you still chose me?
With actions and words, do you put me first?
'Cause I've been on an island of my own makin'
I've been time travelin', I've been time takin'
Pictures changed when you switched to zoom
It's a new day, I done ditched the tune
'Cause I'm not dead, I'm alive in you
Fuck what they said, what they never do
Flowers bloom, the garden grows
Found my truth and freedom flowed
Flowin' forward, flowin' through
Through

Clock-a-boom-boom
Clock-a-tick
Kiss me, poom-poom
Make a wish

Yeah
Ticky-ticky-boom-boom in a lagoon-goon
Kissin' a poom-poom, pussy tasty like fufu
Pussy never been fooled, fooled
Cuckoo, bad time, and clock my new nigga
Moisturize is lyin' and elevator bottle waitin'
Uh, ah, I don't smoke cigarettes but I lick cigars
And that's on God and the bible too
Ticky-ticky-boom-boom, all I ever knew
Now he wanna be one of me
Honey, be inside my pot
Smokin' my crack pot, ready to foxtrot
Beatbox and kick rocks, really, kick rocks
Really, I'm independent but steadily flip flops, cyclop
Good cop murdered a bipoc
I'm black, I've been black, fuck what you though
Fuck what they taught and fuck what they teach
Baby, come eat a Georgia peach for free
For real

Clock-a-boom-boom
Clock-a-tick
Kiss me, poom-poom
Make a wish
Make a wish, make a wish, make a wish, yeah
Come make it tick, make it tick, make it tick, yeah
Clock-a-boom-boom
Clock-a-tick
Kiss me, poom-poom

Headed back to the crib when he give me head back
Oochie Wally when the sun come out
He make my pussy shine
He finna take his time with me

Ooh, we wait and go see, uh

The beauty be to stay with the boys
I faded the noise, I echo, infinity joy
Build and destroy, build and rebuild
Build and destroy, build and rebuild
