

Monster

NONONO

They said I'm done believing you
'Cause you don't know what feelings do
When it's been a long time since my brightest star, woah
You've been a bad friend all the way, way

The monster is in me
I cannot catch it
I cannot run outrun it
The monster is in me
I cannot catch it
I cannot run outrun it
Hey, Hey
It is too close to me
Hey, Hey
It is too close to me

Said I'm done playing the fool
'Cause you put shame on what I do
And it's been here, my darkest hour
Well, you've been my best friend all the way

The monster is in me
I cannot catch it
I cannot run outrun it
The monster is in me
I cannot catch it
I cannot run outrun it
Hey, Hey
It is too close to me
Hey, Hey
It is too close to me

The monster is in me
I'm losing and winning
So I just quick and quit it
The monster is in me
I'm losing and winning
So I just quick and quit it
The monster is in me
I'm losing and winning
So I just quick and quit it
The monster is in me
I'm losing and winning
So I just quick and quit it
