

Oblivious

NONONO

Doing things I don't want to do
Why why why
Doing things I don't need to prove
Why why why
Falling into untruth
Why why why

Tell me something that is real
Something that is real
Something that is

I'm not oblivious and I am not a child
Don't pull the curtains when I try to rub my eye
'Cause you're a fiction and you're living in a lie
When I press the boil? No taking orders
It's unreal
It's so unreal
So unreal
So unreal

Hearing things I want to hear
Why why why
Creeping in so I can feel
Why why why
Falling into our sleep
Why why why

Tell me something that is real
Something that is real
Something that is

I'm not oblivious and I am not a child
Don't pull the curtains when I try to rub my eye
'Cause you're a fiction and you're living in a lie
When I press the boil? No taking orders
See unreal
See unreal
See unreal
See unreal

See unreal
I'm not oblivious and I am not a child
See unreal
Don't pull the curtains when I try to rub my eye
See unreal
'Cause you're a fiction and you're living in a lie
See unreal
When I press the boil? No taking orders
See unreal
