G

1. Hey heart, on the road again

C

Moving on forward

G

Stick and stones won't break our bones

C

We're in the car on the highway

Em

D

C

It's so magical feeling that no one's got a hold

Em

D

C

You're a chalice to your own happiness you know

G

R: 'Cause it's your heart, it's alive

C

It's pumping blood

Em

And it's your heart, it's alive

D

C

It's pumping blood

And the whole wide world is whistling!

2. Hey heart, on the run again

Drive is strong onwards

Stick and stones won't take its course

Got the part in a frenzy

It's the best, the world's feeling

Like nothing can go wrong

You're the decider of the world that you will get to know

R:

G

Hey heart, on the road again

C

On a highway, on a highway

G

Hey, heart, on the road again

C

On a highway, on a highway
