Nonpoint

Welcome, I'm back again  
Can you hear the pops?  
Do you feel the watts go ahead and turn me up?  
The sick, little mind you see in front of you  
Is more than you understand or ever comprehend  
Welcome, I'm back again  
Can you hear me pop?  
Do you feel the watts?  
The sick, little mind that sits in front of you  
Is more than you can understand or ever comprehend

A simple answer's all I need  
Explanation from you, or your friend  
Your buddy 'til the end  
You spend time together  
Talkin' 'bout the weather or whether together is how you wanna be  
Me, don't worry, I'll be okay now that you had your way  
How did you fuckin' pay for these cheap-ass excuses?  
Was it cash? Was it credit? I doubt it  
It came from a pocket, and you popped it  
Now, stop it

Welcome, I'm back again  
Can you hear me pop?  
Do you feel the watts?  
The sick, little mind you see in front of you  
Is more than you can understand or ever comprehend  
Head games, rah  
Head games  
Head games  
Are ya playin'? Ya wanna play it?  
Well, start playin', and here we go

Welcome, I'm here again  
Do you see me now?  
You knew the closest still get away, you make me sick  
This gut pain inside is eating me for lunch  
I wanna grab your throat, but I contain myself  
Welcome, I'm back again  
Do you hear the pops?  
Do you feel the watts?  
The sick, little mind you see in front of you  
Is more than you can understand  
Welcome, give me pops  
Feel me rock, turn it up  
Entrance made, mood is set  
Push the vibe, take a pill  
Head games

Welcome, I'm back again  
Can you hear me pop?  
Do you feel the watts?

This never-ending story  
Is ending, finally in the scheme of things

The ways of life  
You step into the pit of the heart  
The mind, body, and soul  
These griffin roles, you'll soon be playin' them alone  
Jester jokes told again  
And then, you say we're friends  
Well I'm laughin', and I'm coughin', set me off, and  
Check the character of this cartoon  
Delusions you're seein' are comin' real, real, real soon
