

Paper Tigers

Nonpoint

Paper cuts
Paper cuts
Paper cuts
Paper cuts

Bare knuckles, we don't wear gloves
'Cause we need to feel connection
To the animal inside of us
To cleanse the recollection
Do we always have to aim so low?
'Cause we need to feel connection

So why should I run from paper tigers?
Why should I run from paper tigers?
Just 'cause the scratch cut on your neck
Just 'cause the scratch cut on your back
Just 'cause the scratch cut on your back
I know they're only paper cuts, only paper cuts

So I don't need another anthem
To understand where I'm comin' from
On upon my way in Heaven
'Cause of everything that they don't know
To clean the recollection

So why should I run from paper tigers?
Why should I run from paper tigers?
Just 'cause the scratch cut on your neck
Just 'cause the scratch cut on your back
Just 'cause the scratch cut on your back
I know they're only paper cuts, only paper cuts

Don't need, don't need another anthem
To understand where I'm comin' from
On upon my way in Heaven
To the, to the animal inside of us
To clean the recollection
The witness of affection
Oh, the witness of affection
Oh, the witness of affection

So why should I run from paper tigers?
Why should I run from paper tigers?
Just 'cause the scratch cut on your neck
Just 'cause the scratch cut on your back
Just 'cause the scratch cut on your back
I know they're only paper cuts, only paper cuts

Oh, the witness has affection
Oh, the witness has affection
Paper cuts
Paper cuts
Paper cuts
Paper cuts
