

Ruthless

Nonpoint

I'm about to explode
Speeding down a warpath, front seat
Self-offense. Call it, battle by proxy
Goldilocks distance
How can I miss with a crack shot aim and verbal game like this
Tell that masses all to behold and get another fighter on the phone
All the ones they sent so far they couldn't stop me
All the ones they sent so far didn't get so far

You wanna start it up without a way to win
I'm betting double or nothing but I'm not gambling
You try to cage me up, but I got out again
You better cover your eyes, it's about to get

Ruthless! Ruthless
It's about to get ruthless! Ruthless
It's time to get ruthless! Ruthless
Everybody get ruthless! Ruthless
It's time to let the mud fly
Target identified
It's time to get ruthless
Statement is certified
It's time to get ruthless
Cover your eyes, yeah
It's time to get ruthless! Ruthless
Ruthless

I'm about to go rogue
Swimming in a shark tank, field mouse
Missing every turn and still banking in my wheelhouse
Bait 'em all, hook 'em all, sink 'em
Then run through them like it's the Olympics of Life
And the road to gold
Is brick by brick
And only the bold
Even broken and sick
Are showing up to cause another episode
You're in the presence of a monster, beast mode

You wanna start it up without a way to win
I'm betting double or nothing but I'm not gambling
You try to cage me up, but I got out again
You better cover your eyes, it's about to get

Ruthless! Ruthless
It's about to get ruthless! Ruthless
It's time to get ruthless! Ruthless
Everybody get ruthless! Ruthless
It's time to let the mud fly
Target identified
It's time to get ruthless
Statement is certified
It's time to get ruthless
Cover your eyes, yeah
It's time to get ruthless! Ruthless

Call it what you wanna call it, I'm calling it criminal

Judgement day coming, it's about to get physical
Acting all righteous but you're too lawless
Shadows are moving so they always got you crawling
Call it what you wanna call it, I'm calling it criminal
It's about to get lawless
It's about to get physical
And it's about to get

Ruthless! Ruthless
It's about to get ruthless! Ruthless
It's time to get ruthless! Ruthless
Everybody get ruthless! Ruthless
It's time to let the mud fly
Target identified
It's time to get ruthless
Statement is certified
It's time to get ruthless
Cover your eyes, yeah
It's time to get ruthless! Ruthless
