

Above Ground

Norah Jones

B7/4 B7

Underground I'm waiting

Bb7/4 Bb7 Bb7/4

Just below the crowded avenue

B7

B7/4 B7

Watchin'red lights fading out of view

Oh the air feels heavy

Everything just passes by

And I think that I'm a little shy

B7/4 B7

Meet me outside above ground

B7/4 F#maj

I see you on your way

I'll be with you someday, someday

Drawing lines above my head

But the fan keeps spinning over me

Just my thoughts to keep me company

Now I know I'm ready

Pour the night into a glass

Can I sip it slow and make it last?

Meet me outside above ground I see you on your way

I'll be with you someday, someday

Meet me outside above ground

I see you on your way

I'll be with you someday, someday
