Back to Manhattan

I'll go back to Manhattan As if nothing ever happened When I cross that bridge It'll be as if this don't exist

I've a prince who is waiting And a kingdom downtown I'll go back to Manhattan As if nothing ever happened

We don't have to speak at all I won't look in your eyes And I won't have to fall We don't have to speak at all

But Brooklyn holds you And it holds my heart too What a fool I was to think I could live in both worlds

We don't have to speak at all I won't look in your eyes And I won't have to fall We don't have to speak at all

I should go back to Manhattan It's just a train ride away I know nothing 'bout leaving But I know I should do it today
