

Come Away With Me

Norah Jones

C Ami C Ami

C Ami C Ami

Come away with me in the night

C Ami

Come away with me

Emi F C G

And I will write you a song

C Ami C Ami

Come away with me on a bus

C Ami Emi F

Come away with me where they can't tempt us

C

With their lies

G F

I want to walk with you

C

On a cloudy day

G F

In fields where the yellow grass grows

C

knee high

G

So won't you try to come

Come away with me and we'll kiss

On a mountain top

Come away with me

And I'll never stop loving you

And I want to wake up with the rain

Falling on a tin roof

While I'm safe there in your arms

So all I ask is for you

To come away with me in the night

Come away with me
