

Come Away With Me

Norah Jones

C Ami C Ami

C Ami C Ami
Come away with me in the night

C Ami
Come away with me
Emi F C G
And I will write you a song

C Ami C Ami
Come away with me on a bus
C Ami Emi F
Come away with me where they can't tempt us
C
With their lies

G F
I want to walk with you
C
On a cloudy day
G F
In fields where the yellow grass grows
C
knee high
G
So won't you try to come

Come away with me and we'll kiss
On a mountain top
Come away with me
And I'll never stop loving you

And I want to wake up with the rain
Falling on a tin roof
While I'm safe there in your arms
So all I ask is for you
To come away with me in the night
Come away with me
