Norah Jones

More fragile than life  
And easier to destroy  
And faster to dissolve  
And cheaper to avoid  
And riskier to control  
And not so forgiving  
More fragile than life

More fragile than time  
And tougher to tell  
And simpler to kill

And quicker to splash  
When both hands are climbing  
More fragile than time

More fragile than you  
And sweeter inside  
And sadder to leave  
Oh, unidentified  
And sooner to fade  
And harder to trust  
More fragile than you  
Is us
