

# Humble Me

Norah Jones

**B** **F#7**  
Went out on a limb - gone too far

**B** **E6**  
Broke down at the side of the road

**B** **F#7** **B E B F#7**  
Stranded at the outskirts and the sun's creepin' up

Baby's in the backseat, still fast asleep  
Dreamin' of better days

**B** **F#7** **B E B B7**  
I don't want to call you, but you're all I have to turn to

**E** **F#7**  
What do you say when it's all gone away?

**B** **F#7** **Asm**  
Baby, I didn't mean to hurt you

**E** **F#7**  
Truth spoke in whispers will tear you apart

**B** **F#7** **Asm**  
No matter how hard you resist it

**Emaj7/Es** **C#m7** **B** **F#7**  
It never rains when you want it to

**B** **F#7** **Asm**  
You humble me Lord, you humble me Lord

**Emaj7** **B** **F#7**  
I'm on my knees, empty  
You humble me Lord, you humble me Lord  
So please, please, please forgive me

Baby Teresa, she's got your eyes  
I'm seeing you all the time  
When she asks about her daddy I never know what to say

Heard you kicked the bottle and you helped build the church  
You carry an honest wage  
Is it true you have somebody keeping you company?

What do you say when it's all gone away?  
Baby, I didn't mean to hurt you  
Truth spoke in whispers will tear you apart  
No matter how hard you resist it  
It never rains when you want it to

You humble me Lord, you humble me Lord  
I'm on my knees empty  
You humble me Lord, you humble me Lord  
So please, please forgive me  
you humble me...
