

I Dream Of Christmas

Norah Jones

I dream of Christmas
Snowflakes in the air
I dream of Christmas
Beauty everywhere

Fa la la la la la la la
Fa la la la la la la la
Fa la la la
La la la la la

I dream of Christmas
Every time you're near
I dream of Christmas
Future memories appear

Fa la la la la la la la
Fa la la la la la la la
Fa la la la
La la la la la

I dream, I dream
I dream, I dream
I dream, I dream

I dream of Christmas
June and July

I dream of Christmas
Sleighbells in the sky

I dream, I dream
I dream, I dream
I dream, I dream
I dream, I dream
