

I've Got To See You Again (Alternate Version)

Norah Jones

Lines on your face don't bother me
Down in my chair when you dance over me
I can't help myself
I've got to see you again

Late in the night when I'm all alone
And I look at the clock
And I know you're not home
I can't help myself
I've got to see you again

I could almost go there
Just to watch you be seen
I could almost go there
Just to live in a dream

But no. I won't go for any of those things
To not touch your skin is not why I sing
I can't help myself
I've got to see you again

I could almost go there
Just to watch you be seen
I could almost go there
Just to live in a dream

But no. I won't go to share you with them
But, oh, even though I know where you've been
I can't help myself
I've got to see you again

I can't help myself
I've got to see you again
