

One Flight Down

Norah Jones

C G A7 A7sus4 A7

One flight down

F Fmaj7 Dm G

There's a song on low

C F#sus4 F F#sus2 Dm G

And your mind just picked up on the sound

C G A7 A7sus4 A7

Now you know you're wrong

F Fmaj7 Dm G

Because it drifts like smoke

And it's been there p-l-a-y-ing all along now you know,

Now you know

The reeds and brass have been weaving

C/B Am Fm Fm6 G

Leading into a s-i-n-gle note

In this place

Where your arms unfold

Here at last you see your ancient face

Now you know

Now you know

The cadence rolls in broken

Plays it over and then goes

One flight down

There's a song on low

And it's been there playing all along

Now you know
