

Thinking About You

Norah Jones

D Bm A G
Yesterday I saw the sun shinin',
D Bm A G
And the leaves were fallin' down softly,
A C G
My cold hands needed a warm, warm touch,
D D/C Em7
And I was thinkin' about you.

D Bm A G
Here I am lookin' for signs of leaving,
D Bm A G
You hold my hand, but do you really need me?
A C G
I guess it's time for me to let you go,
D D/C Em7 C
And I've been thinkin' about you,
D D/C Em7
I've been thinkin' about you.

When you sail across the ocean waters,
And you reach the other side safely,
Could you smile a little smile for me?
'cause I'll be thinkin' about you,
I'll be thinkin' about you,
I'll be thinkin' about you,
