

Tryin' To Keep It Together

Norah Jones

Tryin' to keep it together
Tryin' to keep it together
Tryin' to keep it together
Tryin' to keep it together

Keeping up all the time
Conversations are empty
How do we really know?
Tryin' to keep it together

I'll be quiet
You be quiet too
As we are

I'll be quiet
You be quiet too
As we are
Quiet too
As we are

Tryin' to keep it together
Tryin' to keep it together
Tryin' to keep it together
Tryin' to keep it together
