

# Uh Oh

Norah Jones

If I say it to your face, uh oh  
Will you step out of the way? Don't go  
What would happen if I look out the window?  
Is life slipping in and out of place? Uh oh  
Please just tell me what to say, uh oh  
Do you still think I'm okay? (Oh no)  
What's the point of only looking for problems  
When solving them sends me into space?  
(Uh oh, uh oh)  
I'll jump out the window and float up to find myself disgraced

(Uh oh, uh oh)  
Oh no  
(Uh oh, uh oh)  
Oh no, oh no  
(Uh oh, uh oh)  
Oh no, oh no  
(Uh oh, uh oh)  
Oh no, oh no  
Uh oh, uh oh  
Uh oh, uh oh  
Uh oh, uh oh  
Uh oh

If I breathe I will misplace my fear  
I won't walk away in anger dear  
Or in time I will forget  
And I stumble toward you with hands around your neck  
You hear, you hear  
I look out the window and life, it has shifted out of place  
Oh dear, oh dear  
I'll just look out the window  
My life's slipping in and out of place

Oh no, oh no  
Oh no, oh no  
Oh no, oh no  
Oh no, oh no  
(Uh oh, uh oh)  
Oh no, oh no  
Oh no, oh no  
(Uh oh, uh oh)  
Oh no, oh no  
Oh no, oh no  
(Uh oh, oh)  
Oh no, oh no  
Oh no, oh no  
(Uh oh, oh)  
Oh no, oh no  
Oh no, oh no

(Uh oh, uh oh, uh oh)  
Uh oh, uh oh  
Uh oh, uh oh, uh oh  
Uh oh, uh oh, uh oh  
Uh oh, uh oh, uh oh  
Uh oh, uh oh, uh oh

Uh oh, uh oh)
