

What Am I to You?

Norah Jones

C Em
What am I to you?
Am
Tell me darlin' true
Am F
To me you are the sea
Em
Vast as you can be
C
And deep the shade of blue

G C Em
When you're feelin' low,
Am
To whom else do you go
Am F
I'd cry if you hurt
Em
I'd give you my last shirt
C
Because I love you so

G Em C
Now if my sky should fall
Em Am
Would you even call
Am F
I've opened up my heart
Em
I never want to part
C G
I'm givin' you the ball

C Em
When I look in your eyes
Am
I can feel the butterflies
Am F
I'll love you when you're blue
Em
But tell me darlin' true
C G
What am I to you?

Em C Em
Now if my sky should fall
Am
Would you even call
Am F
I've opened up my heart
Em
I never want to part
C G
I'm givin' you the ball

G C Em
When I look in your eyes

Am
I can feel butterflies
Am **F**
Could you find a love in me
Em
Would you carve me in a tree?
C
Don't fill my heart with lies
Am **F**
I will love you when you're blue
Em
But tell me darlin' true
C
What am I to you?
