

Careen

Norma Jean

Circle within a circle
The pier glass infinite
Transparent echo on twin sides in every direction
See through infinite
Incomprehensible now

Abandoned all the fear
That fear the all abandoned
Cast out, passed up without fail
Oh can you see at all?

I'll never say what it is
But I can say what it almost certainly is
Forgetting rules that rules forgetting

So wash away my care aside
Surrender my defense of everything
Cause I'm over it
I can't tell you why, I can't refuse anymore

Confused I'm outside the mask
They mask the outside
I'm confused
I'm confused

I can't complain
I can't complain

No, I'll never say what it is
But I can say what it almost certainly is
Forgetting rules that rules forgetting

So wash away my care aside
Surrender my defense of everything
Cause I'm over it
I can't tell you why, I can't refuse anymore
Care aside
Surrender my defense of everything
Cause I'm over it
I can't tell you why, I can't tell you why
