

Don't Touch

Norma Tanega

(Don't touch)
(Don't touch)
(People)
(People)

Hey people bend round
And lend your ears
I've got the answer
To end all your fears

(Don't touch)
(Don't touch)
(People)
(People)

Wrap your life
In the palm of your heart
Stay distant
Or they'll tear your life apart

(Don't touch)
(Don't touch)
(People)
(People)

Pretend you feel safe
Behind your wall
No life no lovers enter there at all

(Don't touch)
(Don't touch)
(People)
(People)

When someone says
"Hey people bend round right here"
I've got the answer
To end all your fears

(Don't touch)
(Don't touch)
(People)
(People)

(Don't touch)
(Don't touch)
(People)
(People)

(Don't touch)
