

# Damper

Norman Greenbaum

Been burnin' midnight oil, burn it 'til the break of day  
Been burnin' midnight oil, burn it 'til the break of day  
Gonna pack it up, pack it up and put it away

Been flyin', I been a flyin' kite  
Been flyin', baby, I been a flyin' kite  
Gonna pack it up, had enough lovin' for tonight

Now set your timer, baby, and lock your damper tight  
Set your timer, baby, and lock your damper tight  
Come tomorrow, we'll finish what we started tonight

'Cause I been burnin' midnight oil, burn it 'til the break of d  
ay  
Been burnin' midnight oil, burn it 'til the break of day  
Gonna pack it up, pack it up and put it away

Put it away, yeah, yeah  
Oh yeah, yeah  
Away, yeah, yeah  
Oh yeah
