

Jubilee

Norman Greenbaum

Birdie's in the backyard scooping up the seeds
Scooping up the seeds there, scoopin'
Daddy's outside pulling up the weeds
Pulling up the weeds, pulling up the weeds

I said hey, pulling up the weeds, scooping up the seeds
I said hey, what a day, jubilee

Mama's in the kitchen cooking up a storm
Cooking up a storm, she's cookin'
Grandma's in the cellar making liquor outta corn
Liquor outta corn, liquor outta corn

I said hey, liquor outta corn, cooking up a storm
I said hey, what a day, jubilee
Things going my way
I said hey, what a day, jubilee
I say (Jubilee, jubilee)
I say (Jubilee, jubilee)
I say (Jubilee)
I said hey
I said hey, yeah, hey

Sister's at her girlfriend's looking for a can
Looking for a can, she's lookin'
I'm on the roof, I'm playing Superman
Playing Superman, playing Superman

Hey, playing Superman, looking for a can
I said hey (Hey), what a day, jubilee
Things going my way
I said hey, what a day, jubilee
I said (Jubilee, jubilee)
I say (Jubilee, jubilee)
I say (Jubilee)
I say hey, hey, yeah, hey, yeah
