

# A Move of God Is on the Way

Norman Hutchins

Look at somebody and say:  
I feel a breakthrough  
Coming your way  
It's a mighty move of God  
And its going to change your day

I feel a breakthrough  
Coming your way  
It's a mighty move of God  
Its gonna change your day  
Signs and wonders  
Miracles to perform  
God is gonna bless you  
For just holding on

I feel a breakthrough  
Coming your way  
It's a mighty move of God  
Its gonna change your day  
Signs and wonders  
Miracles to perform  
God is gonna bless you  
For just holding on

Just hold on  
Change is coming  
I feel it in the air  
It's in the atmosphere  
Just hold on  
Change is coming  
A move of God is on the way

Change is coming  
A move of God is on the way

You've been expecting  
A change in your life  
Looking for your midnight  
To turn to sunshine  
Now, its going to happen  
You wait and see  
All things are possible  
For him that believes

You've been expecting  
A change in your life  
Looking for your midnight  
To turn to sunshine  
It's gonna happen  
You wait and see  
All things are possible  
For him that believes

Just hold on

Just hold on  
Change is coming  
A move of God is on the way

Just hold on  
Change is coming  
I feel it in the air  
It's in the atmosphere  
Just hold on  
Change is coming  
A move of God is on the way...
