

Because of You

Norman Hutchins

There is no way
I could have made it
Made it this far
Without You
You brought me through
Many hard trials
I'm still alive
Because of You

When the enemy
Comes in like a flood
Lord, You were always right there
Guiding me & providing form me
I am still alive
Because of You

Thank God I made it

Because of You
Because of You
Because of You
Yeah

Thank God I made it
Thank God I made it
I'm still alive
Because of You
